

BRC in Israel

BGU relaunching its BTC as BRC

NEAR EU Network

Bologna Process in Israel- Historic Overview-

- Israel application for full membership
- Opening of Erasmus Mundus and Tempus programs to Israel (since 2008)
- Erasmus Mundus in Israel- capacity gap in internationalization
- CORINTHIAM Tempus project (2009) and other Tempus projects
- Learning Outcomes and Assessment process of the CHE (ENQA)

State of the Art- Israel

- Not a member of the BP\ Council of Europe
- Sporadic implementation of different BP components
 - LO- part of national QA process
 - ECTS- sporadic implementation
 - DS- under discussions
 - 3-2-3- applied
- Other components (social dimension, accessibility, academic freedom, etc.)

Bologna Process in Israel- Today

Active agents:

- Erasmus+ office (HERE forum)
- Bologna Training Center
- CHE quality assessment unit
- The National Forum for the Enhancement of Teaching & Learning in Higher Education
- NUIS

Bologna Process in Israel- Next steps

- Adoption? Official application?
- National strategy?
- Institutional Strategy?
- Inter-institutional cooperation for enhancement of internationalization through the BP?

Israel- Current Needs

- More knowledge and better understanding
- Strategy (institutional + national)

Relaunching the BTC as BRC

- More research oriented mission
- Keep on the trainings
- Helping institutions building their strategy
- Promoting networking in different levels → bottom-up process
